GO SOUTH CLUB

How it benefits you...

How? We will provide a regular schedule of oil changes for your vehicle with friendly reminders of all the recommended maintenance for your vehicle

Why? So that you can have peace of mind, knowing that your vehicle will be inspected on a regular basis.

Regular oil changes help keep your vehicle running smoothly and can easily increase the resale value of your vehicle. We also report to Carfax, which puts even **more value** into your vehicle on resale.

With the *Go South Lifetime Maintenance Club Plan*, it is easy to stay on track in caring for your vehicle, protecting the value of your investment and giving you reliable transportation.

By being a Go South Lifetime Maintenance Club member, you will receive the following services:

- **Lifetime oil changes* at our recommended service intervals**, over the lifetime of your vehicle. Synthetic Blend Intervals are every 5,000 miles; Full Synthetic Intervals are 7,500 miles. (*\$5.00 Service Fee with each oil change visit to cover oil disposal and taxes)
- **Courtesy tire rotation.**
- **10% Discount on Labor for all future services on that vehicle**
- **Free fluid top off** (coolant, brakes, steering and washer fluids)
- **Free multi-point vehicle inspection.**
- **Maintenance and Repair Records** We will maintain a history of the services that we perform on your vehicle. You may receive a printout of service history upon request.

HOW THE CLUB WORKS: *You need to keep up with your vehicles recommended scheduled maintenance* such as wipers, tire balancing, alignments, fluid exchanges, filter replacements, shocks and *other* routine maintenance based on the best recommended service intervals for your vehicle. We will send you periodic friendly reminders of oil service and other maintenance due on your vehicle. Since some people drive more than others, we will provide a personalized schedule of service reminders customized to your contact preference once we have a history of your typical mileage use. *If the recommended scheduled maintenance is not being performed, your club status is subject to end* - the savings and services you have already received at retail price will be deducted from the cost of the membership and the difference will be refunded, if any. If you feel we are not meeting your expectations, you may ask to be removed as well. We truly care about you and your vehicle and want to make sure you are always confident and feel good about the vehicle you drive!
